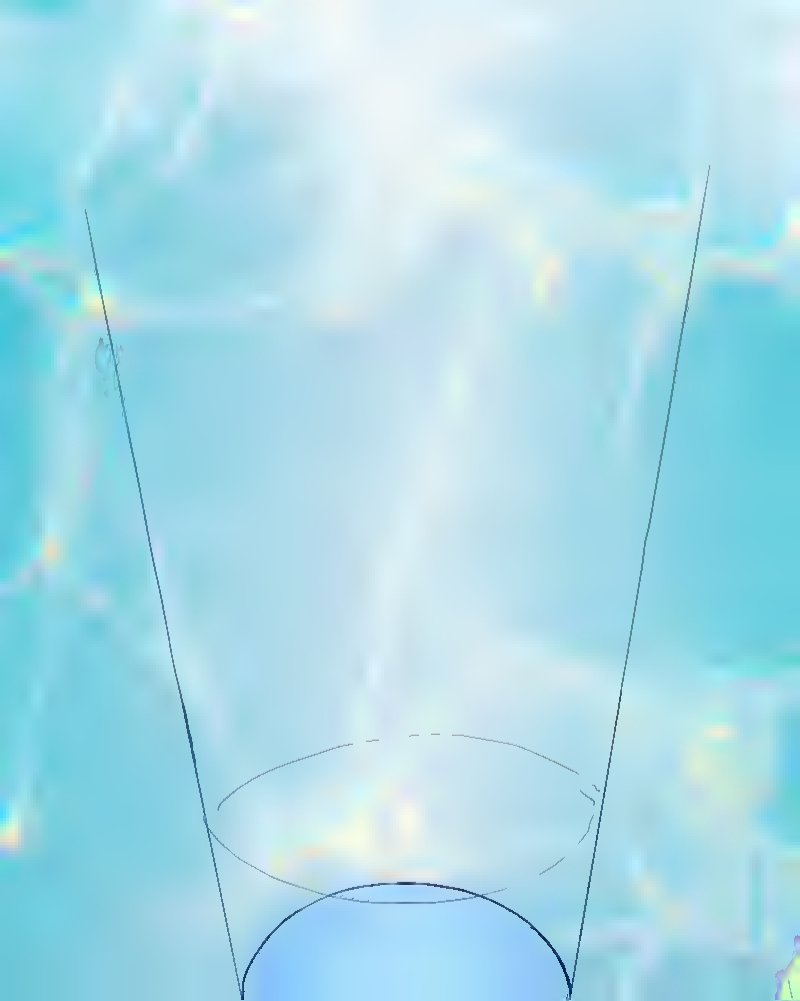
HELIOS MINA



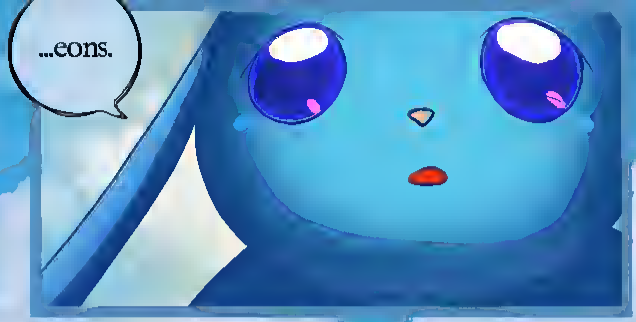
Bebo,
I have a
question.

Typically, how long does an experience like this last?

Depends,
...because the concept of time does not exist within your subconscious.

This experience can feel like days, sometimes months,
...years even.
YEARS?!

In some rare instances,



...eons.

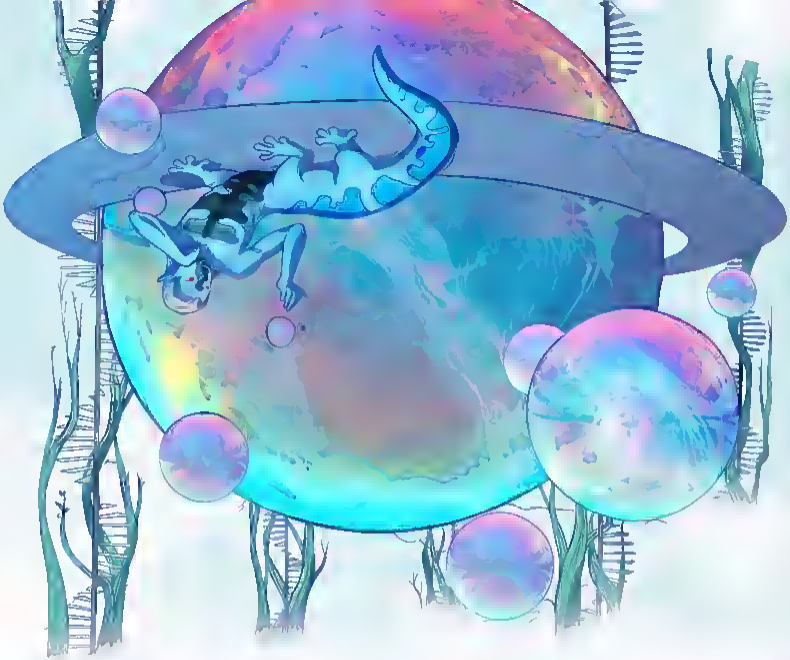
That's... a *really* long time.

So where do you wanna go?

Hmm...
I don't know.
We're inside your subconscious.
You should follow your intuition.

My intuition is telling me, to follow you.
HAH

Fair enough.



Who is that?

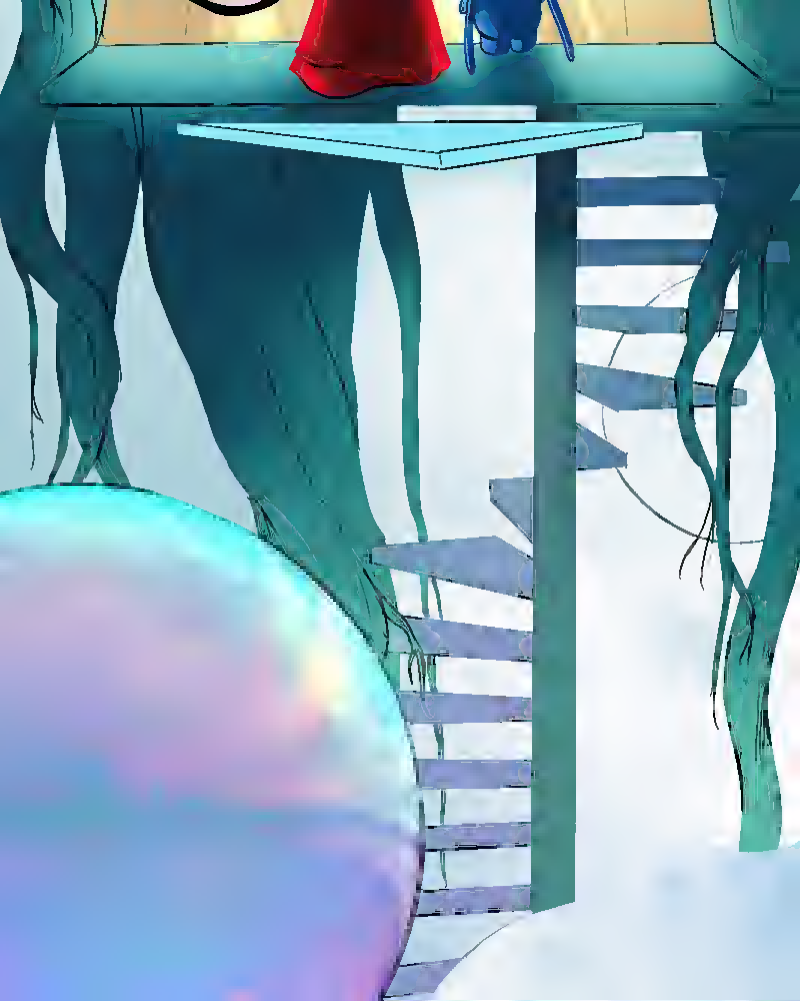
Psst!
Someone who holds the key.

Hi!

I'm her
plus one.

Did I do okay?
I guess? He's kind of hard to read.

Do I just,
...walk through?



Or we can stand here for all eternity.

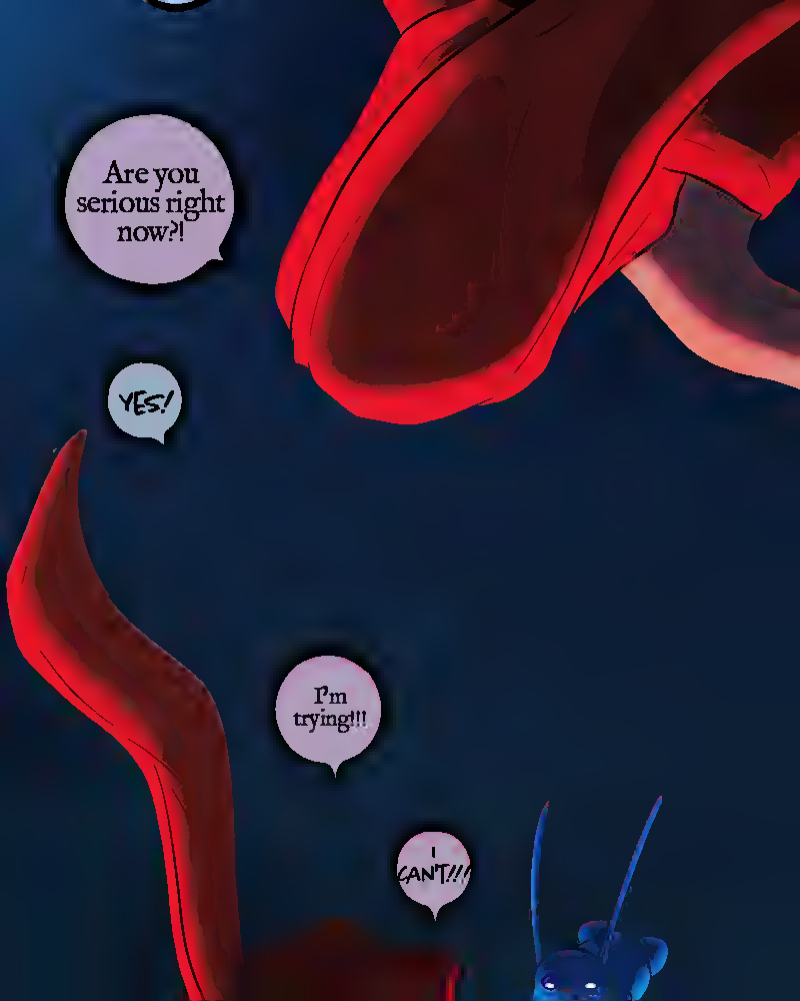
BEBO!!

WE'RE FALLING!
DO SOMETHING!
I would,
...but, I should stay out

of this.
...AT?

You're being tested.
I shouldn't interfere.

BEBO I COULD DIE!
You'll be *fine*.
FLY!



Are you serious right now?!
YES!
I'm trying!!!
I CAN'T!!!

Why are you flapping your arms?
You're not a bird.
Obviously not!!!

RED!
RED, HELP ME!

Red, stay out of this.
I have to stop falling.

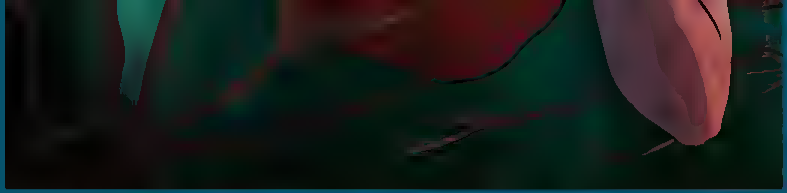
Concentrate.

Mind over matter.

I'm not falling.
I'm,

FLYING!
Sort of?

Oh sh-...
SNAP
SNAP
SNAP



UGH,
my head.

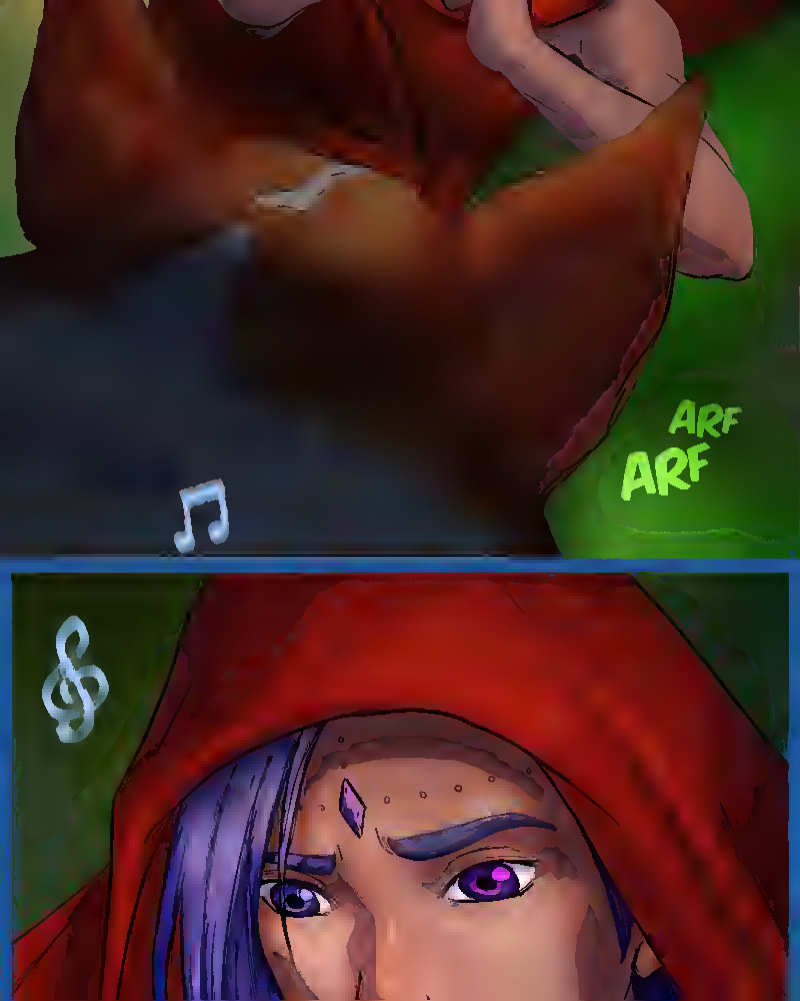
Where are we?

Look Red.
ARF

ग्रोरुग

ARF
ARF

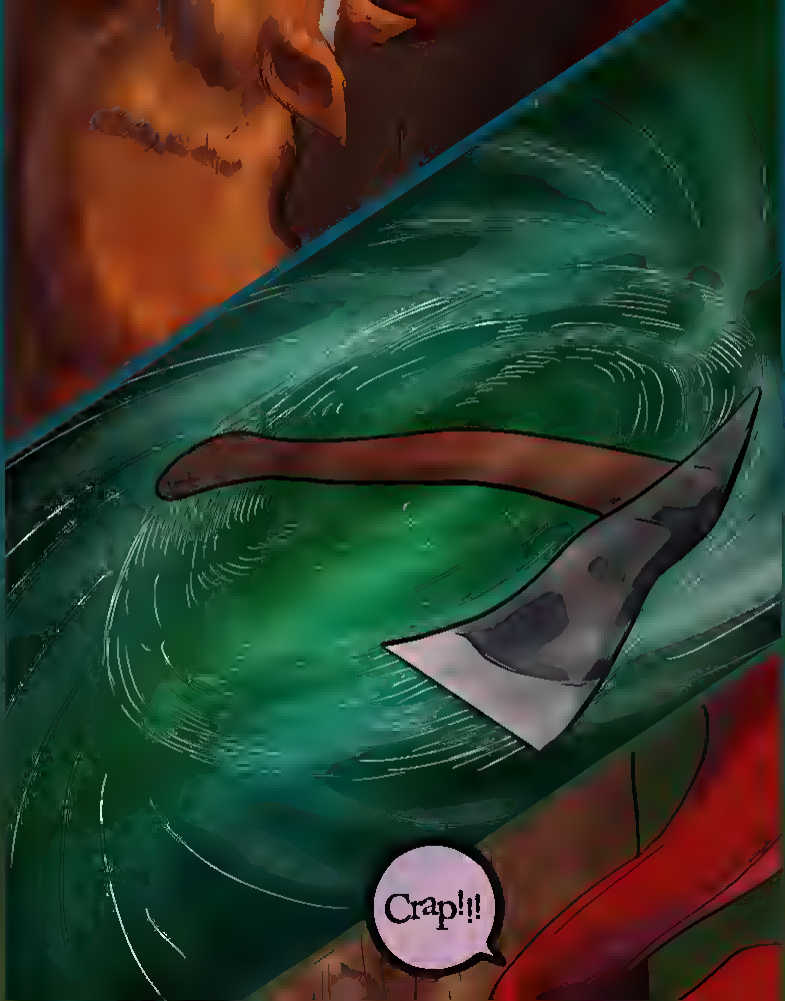
Calm down, it's okay.
SHHHH



ARF
ARF

Did my voice change?

ARF
ARF
CHOMP



Crap!!!

THUNK

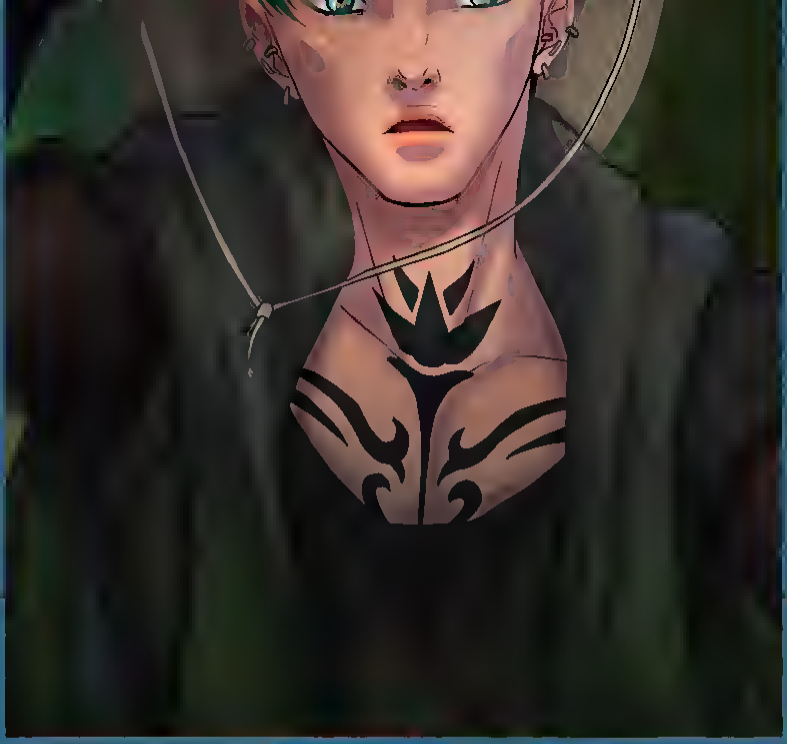
STOP!
What are you doing here?!
You're on royal grounds.

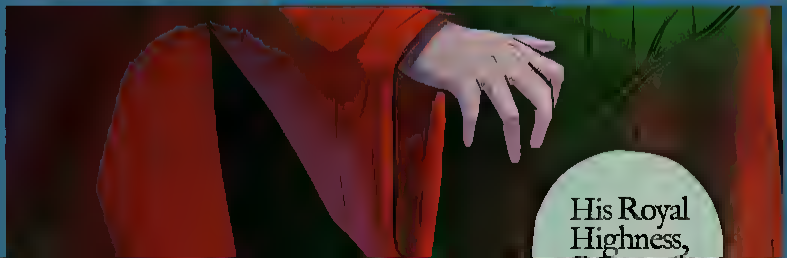
IDENTIFY YOURSELF!

HEY!

THUD

Next time, I'll be sure not to miss.



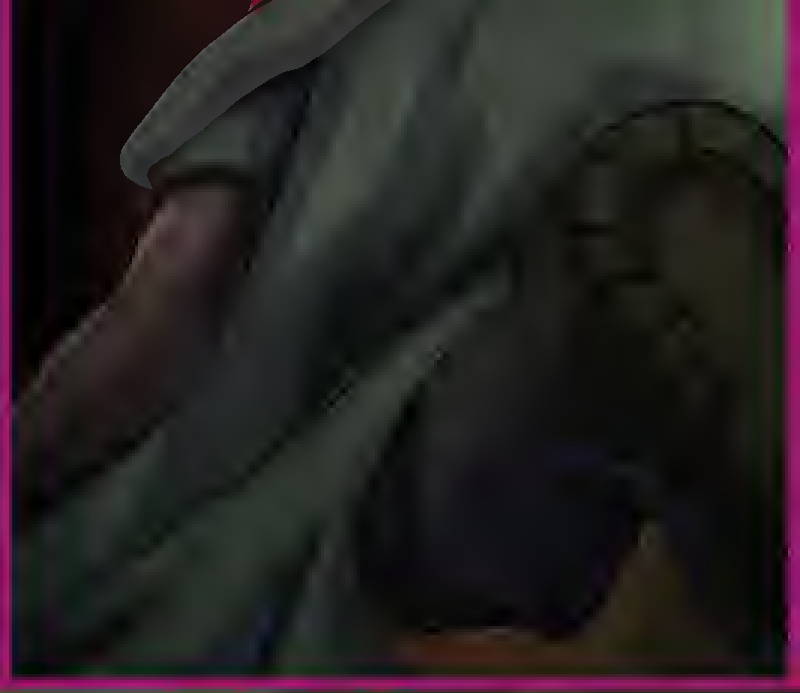


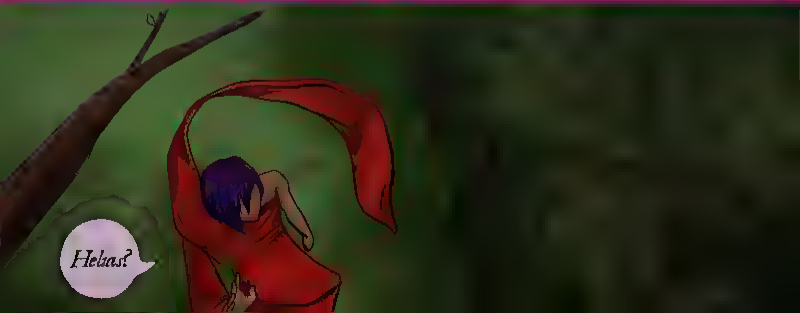
His Royal
Highness,

Prince of Auroris,
... forgive me!
I did not recognize you under that garment.
Please, your majesty.

Your majesty?

Where am I?
Helias, your grace.





Helaas?

Where is that?
Why are you addressing me all weird?
Your majesty, is this a trick question?

I wish for no trouble.
Who are you?

Arret, your highness
I tend the royal gardens

What is going on here?

I'm,

A MAN?!!

BEBO!!!
